Dr. Peter Jones is the foremost evangelical scholar of neo-paganism. In 1991, he returned to the U.S. after living 25 years in France and concluded that “a new spirituality had taken over America.” What he first identified as “New Age” was far more than a left-coast fad, and it led him to publish the *Gnostic Empire Strikes Back* (1992). A series of books followed. In 2006, he wrote two more: *The God of Sex: How Worldview Determines Sexuality*, and *Capturing the Pagan Mind: Paul’s Blueprint for Thinking and Living in the New Global Culture*.

Dr. Jones holds an M. Div. from Gordon-Conwell Theological Seminary, a Th. M. from Harvard Divinity School, and a Ph.D. from Princeton Theological Seminary. He taught New Testament at Westminster Seminary (Escondido, CA) until December 2002. He now directs truthXchange (www.truthxchange.com), a non-profit which emphasizes reaching college and university students who often encounter the “new spirituality” on their campuses.

* First fifty in-house guests will receive a **FREE** copy of *On Global Wizardry: Techniques for Pagan Spirituality* by Dr. Peter Jones.
