

i'm NOT lovin' it!

WHY is McDonald's supporting a homosexual activist group with corporate contributions?

- McDonald's is now listed as a "Corporate Partner" of the National Gay & Lesbian Chamber of Commerce.
- On March 12, 2008, the National Gay & Lesbian Chamber of Commerce announced that Richard Ellis, Vice President of Communications for McDonald's USA, has been elected to the Board of Directors of the National Gay & Lesbian Chamber of Commerce.
- Ellis is a long-time activist in pro-homosexual causes—the National Gay & Lesbian Chamber of Commerce said that "Richard's vast Board experience with LGBT and advocacy related organizations make (sic) him an excellent addition to the Board."

The National Gay & Lesbian Chamber of Commerce does not just promote "homosexual-owned" businesses. They engage in political activism that would:

- Undermine the definition of marriage as the union of one man and one woman in the tax code and in immigration law.
- Elevate homosexual behavior to the same status as race under federal civil rights laws.
- Label disapproval of homosexual behavior a form of "hate" under so-called "Hate Crime" laws.

This is a "combo" McDonald's customers just won't buy.
