

We Bend Our Knees

By: Steven Fry

We bend our knees
Bow our hearts to seek Your Face and know Your ways
For You alone can heal us
We bend our knees
We lay down our lives, O Lord revive Your Church
And turn our nation back to You

We're not deserving of Your mercy
Still we pray that once again Your truth will reign
Turn our nation to Your salvation
And awaken all who call upon Your Name (repeat)

We bend our knees
Stir our faith to see we can believe that
You will pour your Spirit on us
We bend our knees
Let the Name of Jesus seize the nation's heart
And start revival fires again

We're not deserving of Your mercy
Still we pray that once again Your truth will reign
Turn our nation to Your salvation
And awaken all who call upon Your Name (repeat)

Hear our cry O God! And renew our spirits!
Let Your Kingdom come, on earth as it is in heaven

We bend our knees
Bow our hearts to seek Your Face and know Your ways
For You alone can heal us
We bend our knees
We lay down our lives, O Lord revive Your Church
And turn our nation back to You
