

# THE BORN-ALIVE ABORTION SURVIVORS PROTECTION ACT

*The Born-Alive Infants Protection Act*, passed in 2002, does **not** require a medical practitioner to treat an infant born alive after an abortion.

*The Born-Alive Abortion Survivors Protection Act* would require a medical practitioner to treat an infant born alive after an abortion.

## MELISSA OHDEN IS AN ABORTION SURVIVOR.

- Her 19-year-old mother underwent a saline abortion.
- Melissa soaked in the solution for five days.
- Melissa was miraculously delivered alive.
- Melissa founded the **Abortion Survivors Network** in 2012 and has connected with 356 abortion survivors to date.

Only 9 states require **reporting** on children born alive during an abortion:

South Dakota

Arkansas

Arizona

Florida

Indiana

Michigan

Minnesota

Oklahoma

Texas

9 STATES = 203 SURVIVORS

50 STATES = ?

As of 2020, with only nine states reporting, at least 203 infants have **survived an abortion**.

In the 116th Congress,  
**HOUSE SPEAKER NANCY PELOSI**  
**refused** to bring the Born-Alive Abortion Survivors Protection Act up for a vote in the House over 80 times.
