

Church family,

We're trying something new this weekend: "Drive-In Church"! The Drive-In service is another opportunity to worship as a church family this Sunday, April 5 at 9am at Fegenbush Campus. We will continue to livestream the worship service at 10:30am on Sundays as usual.

The drive-in service will have worship, prayer time, and the same sermon from Hebrews 13 as the livestream—all broadcast over an FM radio station that you can pick up on your car radio from our parking lot. Song sheets will be passed out to arriving cars at the entrances to the parking lot.

For your health and safety, the governor has recommended a few guidelines that we will need to follow for the drive-in service:

- ***Only one household per car*** – it may be tempting to carpool with friends or other family, but we should continue to follow the spirit of the “stay at home” guideline by only riding with the occupants of your home.
- ***Cars will be spaced 6 feet apart*** – if weather is nice, you are welcome to open your car windows. Parking 6 feet apart will ensure that we limit shared airspace. Follow the parking lot attendants for the best parking arrangements.
- ***Do not get out of your car*** – the building will not be open and there will not be any elements of the service that will require you to be outside of your vehicle. Please use the restroom before you leave the house and make the necessary preparations to be in your vehicle for the duration of the service (about an hour) plus your drive time.
- ***Offering will be collected, but we will not pass buckets from car-to-car*** – ushers will hold the bucket so that offering may be dropped in from a car window without any person-to-person contact.

Whether from your car in the parking lot or your couch at home, we hope you'll join us to worship Jesus!

Pastor Aaron
