

PRAYING FOR UKRAINE

Ukraine continues to fight to preserve its freedom and independence against an unprovoked Russian invasion. For many Ukrainians, their world was turned upside down overnight as they found themselves fleeing missile attacks on residential areas, hiding in basements or subways stations, or joining volunteer defense forces.

HERE ARE FIVE WAYS WE CAN PRAY FOR UKRAINE:

1. Pray for safety, comfort, and courage for the people of Ukraine.
2. Pray that world leaders would have wisdom as they respond to Russia's invasion of Ukraine.
3. Pray that churches and Christian ministries in Ukraine would be equipped and ready to provide humanitarian aid.
4. Pray that Russian leaders would have a change of heart, turning from war and aggression to choose peace.
5. Pray for peace and the expansion of freedom.
